Upcoming Assessments

iReady Testing

All students in kindergarten through fifth grade will be taking the spring iReady assessment. These assessments will measure how much our students have grown throughout the year. Classroom teachers will share grade-level specific testing dates.

MAP Testing

The Missouri Assessment Program (MAP) allows all of our students and teachers to demonstrate just how much learning has happened this year. All students in third, fourth, and fifth grade are required to take these assessments.

We ask that our students get a good night's sleep and a full breakfast on testing days. Classrooms will begin testing at 9 AM each day. Students arriving late to school on testing days may not be allowed to go to their classroom until their classmates have completed the test. This practice ensures a calm testing environment with no disruptions.

Spirit Week

Before we begin testing, we will have a little fun by having a spirit week!

Attendance Hotline

Anytime a student is absent, we will call home to verify your student's absence. There are some days when there are a lot of phone calls to make. You can help by letting us know if your student will not be here by calling our automated attendance hotline at 314.467.5510. This line is open 24 hours a day, and you can leave a message for one of our secretaries. Your help with this is greatly appreciated!
